Hi Barry:

I spoke with my client about coming to some sort of agreement with Ms. Rivera and he is not inclined to do so as he feels she needs serious help. He feels she is now a danger to herself and the kids. He thinks she needs supervision when she sees the kids.

#### Description:

On April 6, 2023 at approximately 1715 hours, I, Officer Carfi of the Stroud Area Regional Police Department was dispatched to PetSmart at 139 Radio Dr, Stroud Township, in reference to a 10 year old male that approached an employee stating he was there with his step-father and does not want to be with him. The juvenile male, provided the employee with his mother's name and phone number. The employee contacted the mother, Linda Rivera, who requested they call police.

On scene, contact made with child . Child said that he does not feel comfortable being with his step-dad because he yells a lot. Child said that is the only reason he does not want to go with

his step-dad. Child did also mention that he was aware of a situation where Jeffrey molested his older brother, when his brother was in sixth grade. Child said this was investigated by police and that nothing happened to Jeffrey.

Contact made with step-dad, Jeffrey Reichl who advised that yesterday he and his ex-wife, Linda Rivera, received a new court order granting custody of child and his younger brother, to Jeffrey. The order advised Linda will have custody from Fridays 6:00pm to Sundays 6:00pm. Jeffrey said that today is the first day of having custody of child and that he is upset because he was supposed to go to New York with his mother, prior to this custody order taking place.

Linda then arrived on scene and advised that she does not know why child would not feel comfortable going with Jeffrey. Linda did say that she did have prior plans to go to New York to see family with child , however; after this custody agreement was received, she explained to child that he will have to wait.

Contact was again made with child and he was told that he will have to go with Jeffrey as the custody order states. Child then repeatedly said that he will kill himself if he has to go with Jeffrey.

Jeffrey and Linda also heard child make these statements. Both advised that child has made these statements in the past. They were both advised that if they wish to bring child to the hospital for an evaluation that they may do so.

Child was again told that he will still have to go with Jeffrey at this time. Child then said that when he was 6 years old, while living at Jeffrey's house, he was molested by Jeffrey. Child said that he woke up in the middle of the night because he heard the floor creaking, when he awoke he found his pajamas to be at his thighs and said he saw Jeffrey walking out of his room. Child said that he has never told anyone about this because he was scared.

**Children and Youth employee Adrianna Stares was contacted and made aware of the incident and accusations made by child . Stares advised that C&Y will look into the incident once a Childline notification is received.**

Contact then made with PSP Stroudsburg due to the incident claimed having taken place in their jurisdiction. Tpr. D. Chapman requested that child be transported to their barracks on Rimrock Dr.

Both Jeffrey and Linda were advised of what was happening and that PSP requested child be brought to their barracks. They were advised that they could follow me to the barracks.

Child was then advised of what was happening. At this time child said "what if it was a dream?" referring to his statement/accusations made about Jeffrey. Child was told that at this time he will have to speak with the State Police due to the location of the alleged crime.

Child was then transported to PSP Stroudsburg barracks and Tpr. Chapman was briefed on all information.

While in route to PSP Stroudsburg, Stares called back and advised they wanted to have someone come out to figure something out for child . Advised Stares that I will provide her contact information to Tpr. Chapman who will be with child .

Child Line notified. Operator Kristin 360.

Linda,

I STRONGLY recommend you abide by the order until otherwise as not abiding will only play into the narrative they are trying to paint. I will analyze the likelihood of it being accepted by the superior court (being interim and not a final order) and even with child fasttrack that would take months to get before them.

Unfortunately no, at this time the order has you seeing / speaking to them through Justice Works only.

By agreement would be yes if we/Jeff and Gary agree to something other than the order.

This is unacceptable! My civil rights continue to be violated and there's no race equity. Jeff is supposed to be getting investigated by CYS and should be getting supervised visits. Please MAKE that happen!

This can't be it. Take this matter to the superior court or Supreme Court please bc this is going to worsen everyone's overall mental health. Or maybe I can take this matter to the US Department of justice civil rights division.?

I'm not attending sessions w/ Brenda Hoff. And why is it that the court gets to rig this case as they see fit assigning their own people.?!! These are my kids lives they're messing with! Plus I gotta pay extra whopping fees to like 4 more agencies on top of legal fees.?

And Evan and Zayne are waitlisted after Heather's exit.

\*what do you mean something else is agreed to? How so, if jeff has sole? Please explain.

\*So I don't get to see Zayne today as he's expecting me?

Please advise ASAP.

Until Zayne feels safe or something else is agreed to he will stay at Devereaux and yes, it is understood Heather isn't but it just needs to be pushed for a new therapist to be found for him. At this time, unfortunately no everything will need to be "supervised" until a new order is issued which I am strategizing for as to the smartest way to make a new order as soon as possible. Unfortunately no, Evan will need to be seen at Justice Works but call them and get on the schedule and you can see him there during his birthday so I would call them this morning ASAP. LONG TERM strategy is continuing to be a good parent in front of the supervisor and their report will note you not saying anything about Jeff and how Evan will say things unprompted in front of them and show that it is not you putting things in their head but thinking of quicker and any possible ways

This is unbelievable how the script got flipped on me. The abuser abused for so long that I'm the perpetrator? And the aftermath for me leaving my abuser makes me mentally unstable? Unreal. I had a

feeling that I have to do supervised visits but this is extreme.

Heather is no longer Zaynes therapist. So is he supposed to return to jeff, though he is not going to budge  
 Does Zayne stay at Devereux? I'm supposed to see him tomorrow, do I? My stomach is in knots 

Does this go into effect in 10 days? Do I still get Evan this wkd for his birthday bc we're having a Bday bbq that he planned 

What's our strategy bc seems like I'm up a creek. Please advise.

Dear Atty. Madden:

I am writing as a brief update on the above captioned case. Mr. Jeffrey Reichl and Ms. Linda Rivera were originally ordered by the Monroe County Court of Common Pleas to participate in Cooperative Parenting Counseling on August 20, 2021. Since the last report dated November 14, 2022, the parties participated in 4 of 7 scheduled sessions, with Mother canceling 3 appointments. The parties were last seen on August 1, 2023. Multiple attempts have been made to resume Coparent Counseling however, Mother has canceled every appointment that has been scheduled. Most recently, Mother failed to respond to emails attempting to schedule a Coparent Counseling appointment.

Based on Mother's history of canceling sessions or failure to respond to scheduling attempts, no further appointments will be scheduled at this time. Should Mother initiate scheduling a Coparent Counseling session and assure her cooperation with attending, an appointment can be made.

If you have any questions or require additional information, please feel free to contact me.

Reichl v Rivera  
 No. 517 DR 2021  
 No. 22909 CV 2021

Dear Judge Sibum:

I am writing as a brief update on the above captioned case. Mr. Jeffrey Reichl and Ms. Linda Rivera were originally ordered by the Monroe County Court of Common Pleas to participate in Coparent Parenting Counseling on August 20, 2021. Previously, the parties had not been seen since August 1, 2023. Multiple attempts had been made to resume Coparent Counseling however, Mother canceled each scheduled appointment and failed to respond to emails attempting to schedule a Coparent Counseling appointment. Recently, Mother initiated scheduling a Coparent Counseling session and the parties participated in 2 joint sessions in June 2024.

Both parties agree that Mother has had no contact with their children, Zane and Evan, since mid-February 2024. They acknowledge that Warwick Family Services discontinued Mother's sessions with the boys. Father understands the sessions were stopped because they were not in the best interest of Zane and Evan. Mother believes that Father "controls" Warwick Family Services, which is why the sessions were discontinued.

Father expressed concern about being able to coparent with someone who repeatedly makes false allegations against him, made multiple referrals to MCCYS of abuse allegations (all of which have been unfounded) and distributed letters to his place of employment as well as his neighborhood identifying him as a "child predator". Mother denies any involvement in distributing the letters and stated that the boys made the allegations, not her. When presented with the fact that Zane and Evan have not made any allegations against Father to the multiple professionals who have been involved in their care and treatment, Mother expressed her belief that the boys have been "controlled and indoctrinated" by Father and that the treating professionals have "missed things". Mother further explained her belief that Father "controls the narrative".

Since Father currently has sole custody, time was spent having Father provide Mother with educational and medical updates on both boys. According to Father, both boys excelled academically this school year and have shown an interest in music and sports.

Despite any evidence to support her position, Mother remains adamant in her belief that she is a victim of "controlling abuse" by Father. She continues to state that the children are being manipulated and are fearful; again without any supporting documentation. Although Mother has stated she wants to share custody and coparent with Father, it is difficult to reconcile that claim with her repeated allegations of abuse and manipulation.

Given Mother's stated beliefs, it is unlikely that significant progress would be made with ongoing participation in Coparent Counseling. However, from a practical standpoint, sessions may serve as a neutral setting to share information about the children, especially if Father retains sole custody.

If you have any questions or require additional information, please feel free to contact me.

Respectfully,

**NEW MATTER**

6. On December 8, 2023, the Honorable Jennifer Harlacher Sibum, issued a Custody Order. A copy of the Order is attached hereto as Exhibit 1.

7. Section 4 of the December 8, 2023, Custody Order required Defendant to partake in co-parent counseling with Brenda Hoff on a biweekly basis.

8. Defendant has not complied with Section 4 of the December 8, 2023.

9. On January 12, 2024, Ms. Hoff provided an update via letter which states that mother has canceled the last three co-parent classes and has failed to respond to every attempt to schedule an appointment. A copy of this letter is attached hereto as Exhibit 2.

10. On February 12, 2024, Defendant prematurely filed a Motion to Modify Custody as the December 8, 2023, Order only permitted a petition to modify to be filed after 90 days had passed since December 8, 2023.

11. On February 14, 2024, Plaintiff was informed through his employer that an “anonymous letter” was mailed to the principal at Plaintiff’s building, the director of H.R., the principal of Resica Elementary where the children attend, the school counselor at Resica Elementary and both secretaries in the main office of Resica Elementary that alleged circumstances and situations that would only be known to a party to this action resulting in Plaintiff and the minor children being subject to yet another frivolous Children and Youth investigation. A copy of this letter is attached hereto as Exhibit 3.

12. On February 14, 2024, due to the allegations and investigation, Plaintiff’s employer placed him on administrative leave and he was out of work for a period of thirty days.

13. On February 15, 2024, both children were again subjected to questioning by CYS

while at school.

14. On February 15, 2024, Defendant had visitation with the children through their therapist and Mother questioned if anyone came to the school today to talk to them if anything happened.

15. As a result of this questioning, the therapist has not allowed contact between the children and the Defendant.

16. On February 15, 2024, Pocono Psychological Services issued a letter detailing Defendant's failure to return calls to its facility and to make payment for the Court Ordered therapy for the children. A copy of the letter from Pocono Psychological Services is attached hereto as Exhibit 4.

17. On February 16, 2024, Defendant's Motion to Modify Custody was dismissed.

18. On March 5, 2024, Defendant refiled her February 12, 2024 Motion to Modify Custody.

19. On March 5, 2024, Plaintiff's neighbors and community association board members were mailed an "anonymous" letter. A copy of the letter sent to Plaintiff's neighbors and community board members is attached hereto as Exhibit 5.

20. This "anonymous" letter contained information about the Plaintiff and children that only the Defendant would know, such as a reference to a minor child's psychiatric hospitalization.

21. The letter makes reference to what the children said at Court, "The children wrote letters to the judge and court doctor about the molestation and chronic mental abuse of Reichl" which are the same exact allegations Defendant has made throughout the entirety of this custody litigation.

22. The letter makes incredibly damaging false allegations including that “Jeffrey Reichl is getting away with being a child predator.”

23. The letters cause irrevocable damage and harm to not only Plaintiff but also to the children as the letter was sent to parents of some of the children’s friends and neighbors in the community and contains facts about the custody case that could irreparably harm the children’s status and relationship with friends within the community.

24. On or about March 14, 2024, Children and Youth Services determined the allegations made against Father to be “unfounded and closed”.

25. Throughout February and March 2024, Defendant has sent multiple emails to undersigned counsel which evidence a mental break which contain delusions of grandeur, allegations against the Court, Counsel, along with the children’s therapist, allegations of racial profiling along with statements such as “I wear the full armor of GOD”, “I’m a spiritual gangsta”, “the Prince of Peace is sovereign” and which also detail Defendant’s plans to never stop her campaign to expose Plaintiff.

WHEREFORE, Plaintiff, Jeffrey Reichl, respectfully requests that this Honorable Court deny Defendant, Linda Rivera, Petition to Modify Custody and terminate Defendant's custodial rights until such time that Defendant has completed long term mental health treatment with a psychologist and/or psychiatrist and discontinues subjecting the children to unnecessary investigations and harm through the community.

Respectfully submitted,

**CRAMER, SWETZ, McMANUS & JORDAN, P.C.**

## Show Notes

---

Slam the Gavel welcomes Kai Tristan Rivera to the podcast. Turning 21 in April, Kai works in food service. Currently, Kai spends most of his time in New York, New Jersey and Pennsylvania, a young person finding his way into the world. Kai is speaking out on being a victim of Sexual Abuse and molestation by his stepfather. Kai explains that it has taken him years to realize and accept what has happened to him. Kai has chosen to speak on a public platform at this time because the Pennsylvania State Police did nothing to the abuser when he told them what had happened not only to himself but to his little brothers.

Kai states, "everyone needs to know the severity of family court corruption and its cover up of child abuse."
